INFORMATION DISCLOSURE STATEMENT

Listed on the accompanying form PTO-1449 are several English-language documents. Applicants respectfully request that these documents be listed as references cited on the issued patent.

Copies of foreign patents, foreign patent applications, and other non-patent documents accompany this Information Disclosure Statement ("IDS"). Copies of United States patents, United States published patent applications, and unpublished U.S. applications otherwise available on PAIR do not have to be provided (37 C.F.R. 1.98(a)(2)(ii) and Official Gazette Notice on October 19, 2004 (1287 OG 163)). Applicants will provide copies of such U.S. patents or U.S. patent applications upon request.

Applicants filed this IDS within three months of the date of entry of the national stage in an international application as set forth in 37 C.F.R. 1.491. As a result, no fee should be required to file this IDS; however, if the Commissioner determines that a fee is required, please charge any such fee to the deposit account referenced on the accompanying transmittal letter.

The filing of this IDS shall not be construed to be an admission that the information cited in the statement is, or is considered to be, prior art or otherwise material to patentability as defined in 37 C.F.R. §1.56.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
